

Formalities Criteria for upload of SEP

VIA ENGINEERING GUIDELINES – SUPPORT DOCUMENT

Hand in the following to WISEflow in the final hand-in:

PRIMARY FILE

- The project report and process report in PDF format as one file
- All group members' names and student numbers on cover page

Do not hand in a blank file as primary document as this will lead to your upload being rejected.

APPENDICES

- The appendices in PDF format
- However, all source code in relevant format – not PDF
- Project Description
- All diagrams in .svg or PDF format
- Additionally, all Astah files
- User guide and installation guide

In one Zipped folder, not RAR or any other compressed format. Only Zip is accepted.
